

EARN YOUR CDL Class B Permit

The DC 37 Education Fund has partnered with Ferrari Driving School to help Local 983 members earn their CDL Class B license through permit assistance, ELDT Theory, and behind-the-wheel lessons at locations in Astoria, Long Island City, and Brooklyn.

- This program is only for members who are required to have a Class B license for their current position or to qualify for promotion to and from an eligible DC 37 title.
- This program is only to earn a Class B license. If you are interested in obtaining a Class A permit or license, you will have to find a driving school on your own and pay.
- This program does not pay the road test fee. Members are responsible for paying the \$40 fee to sit for the road test.
- Only members who **register with the Education Fund FIRST** will have the cost of their permit assistance and driving lessons covered by the Education Fund. If you go directly to Ferrari Driving School, you will be responsible for all payments to the school.
- You must take all your lessons at the location you choose on your application.
- Due to the number of interested members, you may be waitlisted when you apply.
